

What Can Students Do To Stop Bullying?

- Take A Stand (when safe)
 - Say: "That's not cool..."
 - Say: "I feel ___ when you ___."
 - Say: "Don't treat me that way, you wouldn't want someone doing that to you."
- Walk away and ignore it.
- Report it to an adult.
- Don't add to it; don't laugh at others who are being bullied.
- Tell your friends that it's not okay to bully others.
- Identify the bullying behavior (e.g. "That's verbal bullying" or "That's physical bullying").
- Be a "Friend" or meet someone new.
