

PERMITS 2010-2011

-Available Permits:

- CHILD CARE PERMIT:

It may be granted when both parents are full time employed and there is no adult in the home before, during or after school to provide care for the child and child care is to be provided in the area of Lanai Rd.

- CHILD CARE PARENT SUPERVISION:

It may be granted for the child to attend the school that serves the location of a parent's full time employment or full time school enrollment. The parent's employer or school has to be located in the area of Lanai Rd.

- SCHOOL OF ADVANCED STUDIES (SAS):

The Schools for Advanced Studies Program (SAS) were developed to provide high-level academic programs that serve the educational needs of gifted and high achieving learners. The program serves students in Grades K-12. Acceptance is based on student eligibility criteria and availability space. *If your School of Residency has an SAS Program, you may not apply at Lanai Rd.*
