

## **ENGINE-UIITY BOOK KITS LANAI WONDER OF READING LIBRARY**

Lanai's Curriculum Enhancement Program has purchased "Engine-Uity Kits". These kits are found in the Wonder of Reading Library at Lanai. These kits include books for grades 1-5 along with a discussion page of ideas for each book to use in your book club! It's all right there!

All you have to do is:

1. Go to the library.
2. Find the file cabinet labeled Engine-Uity Kits - Book Clubs (on your immediate right as you walk into the library). Ask the librarian if you need help finding it.
3. Select a book for your grade level. There are folders with grade numbers and Book Titles.
4. Take the books and pull out a discussion page from the folder for the book title.
5. Have the librarian check out your books and fill out the book club form.
6. Plan and schedule your next Book Club!
7. Please remember to return the books as soon as you are done so that someone else can use them.

Some books can be used for more than one grade. There is a folder for each book at each grade level. So, for example, the book "Miss Nelson is Missing" has 2 folders in the cabinet: one for 2nd Grade and one for 3rd Grade. The discussion material in each of these folders will be appropriate for the grade level.
